

Capital to Accelerate Growth

We Invest in Big Dreams for Small Businesses

Grow With Us

It takes an unwavering level of dedication to build a foundation and culture, ripe for success. Pine Tree Equity believes in maintaining that culture, while working together to accelerate growth. We're passionate and proactive partners, unafraid to get our hands dirty. We provide the capital, as well as bring to bear the broad range of experience and resources needed, without uprooting the strong foundation you've built. **Grow with us.**

A foundation rooted in your **Success**

Pine Tree Equity, based in Miami, FL, is a private equity firm focused on the investment in and active expansion of small capitalization companies in partnership with management.

We invest in high quality, profitable family or founder owned companies that can benefit from an active partnership with us, and where management has a meaningful financial participation going forward.

We are differentiated in the small capitalization space in that we have committed capital, extensive private equity experience and accomplished operating executives.

Pine Tree Equity's combination of financial and strategic resources as well as transactional experience allows us to build substantial long-term value in small capitalization companies.
